

070521

This is a grayscale astronomical image showing a field of stars. The stars are represented as small, dark, pixelated spots of varying brightness. In the upper left corner, the number '070521' is printed in a black, sans-serif font. In the lower left corner, the text 'WFC3 F160W' is printed in a similar font. The central focus of the image is a bright star, which is highlighted by two overlapping circles. The inner circle is a dashed green line, and the outer circle is a solid blue line. The background is filled with numerous other stars of various magnitudes, creating a dense star field.
